Pointon York launches Single Investment SIPP

Pointon York is pleased to announce the addition of the Single Investment SIPP to its product portfolio. The Single Investment SIPP is a streamlined version of The Pointon York SIPP with an annual management fee of £300 + VAT.

Nic Lewis, Director of Distribution of Pointon York, said: "Our new product has been created to meet the demands of our IFA customers. More specifically IFAs who want to offer their clients access to a single discretionary portfolio at a low cost.

"Our Single Investment SIPP will be attractive to IFAs looking for access to the whole market; with no panel restrictions our IFA customers can use any discretionary fund manager, fund supermarket or platform. As more people look for flexible retirement planning tools, it is important that IFAs have access to cost effective solutions from providers that can offer a truly bespoke service."

About Pointon York

Pointon York SIPP Solutions Limited, part of Pointon York Group, is a leading provider of self invested personal pensions. The Pointon York group of companies was established in 1971 by Geoffrey Pointon and Syd York.

Pointon York launched one of the first SIPPs to the market in 1990 and excels in providing investors, primarily through intermediaries, with a fully flexible SIPP. Its specialist areas include alternative investments and commercial property. Pointon York has a strong team of technical experts which carries out rigorous due diligence on investments to ensure risks are minimised.
